Accessing the an Event

- You can only access the event after registering on the platform.
- Events are scheduled and will only start at the scheduled times. Players will only access the vaults/challenges once the event has started.

Team-Based Events

For team-based events, participants will be required to organize themselves into teams. The person who creates a team automatically becomes that team's captain. To create a team:

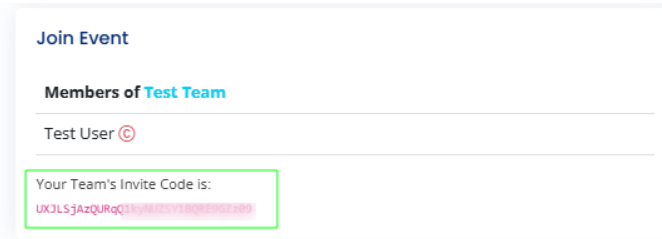

1. Login into the platform
2. After login, the event dashboard will be displayed.
 - a. Select your event and click on **View Event**
3. The team captain will need to create a team by entering the team name and clicking on **Create Team**

A screenshot of a web form titled "Join Event". The form is divided into two main sections. The top section, highlighted in yellow, is for creating a new team. It contains a text input field with "Test Team" entered, and a blue "Create Team" button below it. A green callout bubble with the number "1" points to the text input field, and another green callout bubble with the number "2" points to the "Create Team" button. The bottom section, highlighted in light blue, is for joining an existing team. It contains a text input field for "Invite Code" and a blue "Join Team" button below it.

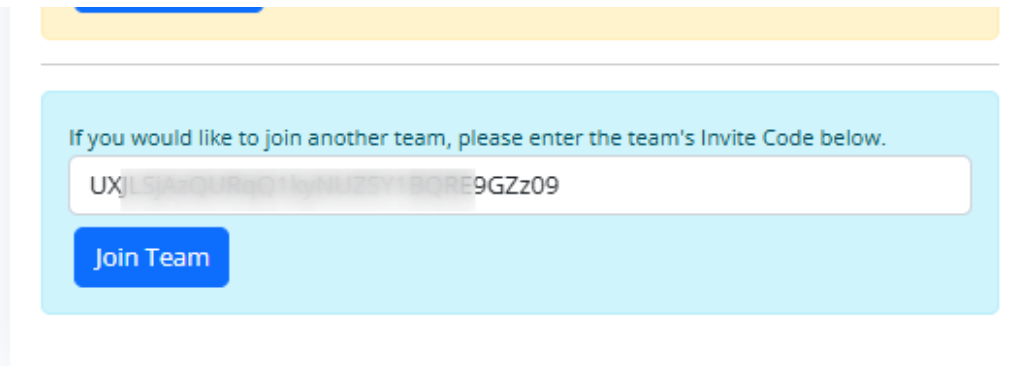

4. A team will be created and an invite code generated

www.ctfroom.com

5. The team captain will need to copy the invite code and share it with the rest of their team members for them to be able to join the team.
6. Team member will now login and join the team by entering the invite code
 - a. Select the appropriate event by clicking on the View Event button
 - b. Enter the invitation code as shown below

7. After joining a team, members will be able to see other team members.
